Buyer Guide

This customer-facing edition highlights the 2026 assortment for U.S. and international wholesale review. Prices below are reference unit prices transcribed from the source quotation sheet; currency, Incoterms, freight, taxes, packaging, testing and final lead time must be confirmed per order.

What is included	Commercial notes
SKU, product image, English working name, size and reference unit price. The source sheet contains 128 SKUs across plush, interactive, crinkle, squeaky and rope styles.	MOQ shown as 5 pcs for most styles and 1,000 pcs for selected high-volume/custom styles. Ask for carton dimensions, packing method, sample policy and compliance documents before placing an order.

Recommended inquiry fields

Please indicate destination country/port, target quantity by SKU, preferred packaging, target Incoterm (FCA/FOB/CIF/DAP, etc.), required testing or labeling, target delivery window and whether private-label packaging is needed.
